

**Name:** Kenneth Heslop

**Tel:** +1(403)935-4641, **Fax:** +1(403)935-2354

**Address:** Oakrock Ltd., PO Box 92, Irricana, Alberta, CANADA T0M 1B0

**Education:** BSc Mechanical Engineering, U of Calgary, 1980

---

**Research areas:**

My practice is the interpretation of wireline logs for the oil and gas industry. Recent papers have included determination of permeability from open-hole wireline logs.

At a later date I will provide an expanded summary of my work in carbonates.
