

Name: Marco Brandano

Tel: +39(0)649694240

Adress: Earth Science Department, University of Rome "La Sapienza"

Education: PhD in Stratigraphy and Sedimentology

Research areas:

Carbonate sedimentology and stratigraphy of Mediterranean Oligo-Miocene platforms.

Modern carbonate sedimentation of Mediterranean Sea.

Oceanographic-ecologic-sedimentologic model for foramol-rhodalgae-carbonates.

Biota analysis as tool for palaeoenvironment reconstruction.

Paleoclimate of Miocene times.
