

Name: Marcus Key

Tel: +1 717 245 1448, **Fax:** +1 717 245 1971

Address: Department of Geology, P.O. Box 1773, Dickinson College, Carlisle, PA 17013-2896, U.S.A.

Education: B.S. Univ. of Texas (1983), Ph.D. Yale University (1988)

Research areas:

My interest is in inferring evolutionary and sedimentary patterns and processes using fossil and living bryozoans. My current research involves marine biofouling, functional morphology, and carbonate production rates of bryozoans.
