

Name: Mohit Khanna

Tel: +47 92018311, **Fax:** +47 5199 9767

Address: Statoil ASA, INT-INV, Grenseveien 21, N-4035 Stavanger, Norway

Research areas:

Responsible for G&G work and Reservoir Characterization of carbonate-sandstone dominant geology. As a part of the INT-INV I have also participated as Reservoir Geologist and have been responsible for building reservoir model for other carbonate fields (Sinan Field in Mexico, Greater Azadegan in Iran).
